Dated: 18/10/2025

To

The Principal/Headmaster,
All Schools Affiliated to HPBoSE, Himachal Pradesh.

Subject: Partial relaxation in mandatory submission of APAAR ID linked to registration data for students of Classes IX to XII for the Academic Session 2025-26.

Sir/Madam,

APAAR, which stands for **Automated Permanent Academic Account Registry**, is a specialized identification system designed for all students in India. This initiative is part of the 'One Nation, One Student ID' program launched by the government, aligning with the National Education Policy (NEP) 2020.

The Board reiterates the importance of the APAAR ID in ensuring transparency, accountability and seamless academic mobility.

You are aware that the APAAR Id offers the following benefits:

- Unified and lifelong academic identity
- Seamless transitions across educational levels
- Credit transfer between institutions
- Simplified verification for admissions and employment
- Skill gap analysis for targeted development

However, the Board has received representations from various affiliated schools across the state citing technical and administrative challenges in generating APAAR Ids for their students. These challenges include:

- Difficulty in integration between different portals.
- Different data of a student in the school and in Aadhaar records.
- Time taken to complete the correction/updating process, etc.
- Lack of parental consent.

Considering the time-bound nature of activities related to registration for classes IX to XII, the schools are directed to take the following action:-

1. In case of APAAR ids not being generated owing to lack of consent of parents, a copy of the denial of consent by parents be maintained by the schools and entry against APAAR be made as **"REFUSED"** during filling up for registration.
2. In case of APAAR ids not being generated owing to other reasons, entry against APAAR be made as **"NOGEN"**
3. In all other cases, APAAR id shall be indicated.
