Answer Key and Stepwise Marking Scheme

Class 10+2 Subject- Geography

| Question No. | Кеу | Marks | Remark |
|-----------------|---|--------------------------------|--|
| 1 i | С | 1 | |
| 1 ii | b | 1 | |
| 1 iii | D economic activities | 1 | |
| 1 iv | а | 1 | |
| 1 v | C trading, marketing are tertiary acti | vities 1 | |
| 1 vi | С | 1 | |
| 1 vii | С | 1 | |
| 1 viii | a 1871 Census was incomplete | 1 | |
| 1 ix | d | 1 | |
| 1 x | С | 1 | |
| 1 xi | b | 1 | |
| 1 xii | С | 1 | |
| 1 xiii | b | 1 | |
| 1 xiv | d | 1 | |
| 1 xv | а | 1 | Total marks for Q 1 = 15 |
| 2 | Mumbai (: Chennai (: | 1/2) 2 1/2) 1/2) 1/2) | Half marks for each right name |
| 3 | Any four out of the following :- Kandhla, Mumbai, Nhava Sheva, marmagao, Mangalore, kochi | 2 | Half marks for each right name |
| 4 | Three stages (1) Less than 15 /1000 (1) | | One mark for each right point with explanation |
| 5 | Geo + graphy = Earth + Description (Any definition by any Geographer (1 | | |

| Any three out of the following with expla | anation | 3 | |
|---|---|---|---|
| :- | | | |
| equity,(1) | | | |
| sustainability,(1) | | | |
| productivity,(1) | | | |
| empowerment | | | |
| | L) | 3 | |
| Climate- reason with examples (1) | | | |
| Soil – effect of fertility of soil on populat | ion | | |
| distribution (1) | | | |
| Compact rural settlements | 1 | 3 | |
| Semi nucleated rural settlements | 1 | | |
| Dispersed rural settlements | 1 | | |
| Low per hectare production | 1 | 4 | |
| Unscientific methods of cultivation | 1 | | |
| Poor farmers | 1 | | |
| Dependence on rain | 1 | | |
| There are so many problems, marks may | y be | | |
| given for right explanation | | | |
| Mining 1 | | 4 | Each mark for each |
| Cattle raring 1 | | | primary activity |
| Agriculture 1 | | | |
| Hunting and gathering 1 | | | |
| Or any other with explanation | | | |
| Introduction 1 mark | | 5 | 1 mark for |
| Administrative towns (1) | | | introduction and |
| Garrison towns (1) | | | conclusion and each |
| Industrial Towns (1) | | | mark for each type of |
| Port cities (1) | | | city with explanation |
| Or any other with explanation and exam | ples | | and examples. |
| | equity,(1) sustainability,(1) productivity,(1) empowerment Topography- reasons with explanation (1) Climate- reason with examples (1) Soil – effect of fertility of soil on populat distribution (1) Compact rural settlements Semi nucleated rural settlements Dispersed rural settlements Low per hectare production Unscientific methods of cultivation Poor farmers Dependence on rain There are so many problems, marks may given for right explanation Mining 1 Cattle raring 1 Agriculture 1 Hunting and gathering 1 Or any other with explanation Introduction 1 mark Administrative towns (1) Garrison towns (1) Industrial Towns (1) Port cities (1) | equity,(1) sustainability,(1) productivity,(1) empowerment Topography- reasons with explanation (1) Climate- reason with examples (1) Soil – effect of fertility of soil on population distribution (1) Compact rural settlements 1 Semi nucleated rural settlements 1 Dispersed rural settlements 1 Low per hectare production 1 Unscientific methods of cultivation 1 Poor farmers 1 Dependence on rain 1 There are so many problems , marks may be given for right explanation Mining 1 Cattle raring 1 Agriculture 1 Hunting and gathering 1 Or any other with explanation Introduction 1 mark Administrative towns (1) Garrison towns (1) Industrial Towns (1) | :- equity,(1) sustainability,(1) productivity,(1) empowerment Topography- reasons with explanation (1) Climate- reason with examples (1) Soil – effect of fertility of soil on population distribution (1) Compact rural settlements 1 Dispersed rural settlements 1 Dispersed rural settlements 1 Low per hectare production 1 Unscientific methods of cultivation 1 Poor farmers 1 Dependence on rain 1 There are so many problems , marks may be given for right explanation Mining 1 Cattle raring 1 Agriculture 1 Hunting and gathering 1 Or any other with explanation Introduction 1 mark Administrative towns (1) Garrison towns (1) Industrial Towns (1) Port cities (1) |

| 12 | a) Road Condition, House construction | 5 | |
|------|--|---|-----------|
| | conditions, Lack of Sunlight, standing | | |
| | water etc. (2) | | |
| | b) Malnutrition, different ailments, low | | |
| | standard of living (1) | | |
| | c) Raise the standard of living , focus on | | |
| | cleanliness and hygiene, construction of | | |
| | toilets, recycling of waist, awareness | | |
| | activities (2) | | |
| | | | |
| 13 a | St Petersburg to Leningrad (Line Symbol) | 1 | World Map |
| 13 b | Japan (point symbol) | | World Map |
| 13 c | Maharashtra to UP (Line symbol) | 1 | India Map |
| 13 d | Himachal (area symbol) | 1 | India Map |
| 13 e | Gujarat coast (point symbol) | 1 | India Map |
