(b) Centre for 10+2	₹2,000/- each year
(c) Centre for Matric & 10+2	₹3,000/- each year

SHORT CANDIDATES FEE

During each year when the number of candidates for theory examination falls short of the prescribed limit of 60 candidates(50 candidates for tribal area) for Matric & 40 candidates(30 candidates for tribal area) for 10+2 examination centres, an extra fee @ ₹150/- per short candidate for each class or as prescribed by the Board from time to time shall be charged.

To avoid delay in the sending of certificates, the heads of the school concerned must deposit the centre retention fee and short candidates' fee well in time.

3. If it is intended to have a practical centre also, separate application for this be made on a plain paper indicating (i) the number of candidates in each subject examination-wise likely to appear, (ii) facilities of laboratories available.
4. Written consent from the heads of the school/s, where candidates are likely to appear from the centre, if created must accompany the application. In addition the head of institution give in writing that he shall be wholly responsible for any outside interference during the examination days.
5. It should be the responsibility of the head of the schools where the centre is located to ensure proper security arrangement relating to doors, windows, ventilators and all the windows should be wire gauzed. It must be ensured that no damage is allowed to be done to these arrangements.
6. It shall be obligatory for the institute to provide school building and furniture for the conduct of supplementary examination and re-examination irrespective of any handicap whatsoever. Centre for private candidates can also be made.
7. The Board reserves the right to abolish the centre after it has been created if it is found that the conditions laid down have not been fulfilled or the centre is not working to the satisfaction of the Board.
8. Public co-operation should be listed at the time of opening of a new centre for providing necessary furniture etc. for the centre as also to ensure smooth conduct of examination.
9. All centres should have proper seating arrangements. Jute matting encourages copying. School should be required to provide requisite number of tables with seat within a specific time limit.
10. Depending on the seriousness of trouble, a centre should either be closed or the students should be required to appear at a centre in some other school by way of punishment, if mass copying is reported. The Board would be competent to cancel the paper/s and also abolish the centre for future or for a specific period.
